A highly international part of Hospitalfield's programme which is open to those working across the arts who recognise that they require some time to focus on the development of their work. For individuals or collaborative groups it can be a test bed for developing their practice and a scenario to concentrate on a specific project.

这是 Hospitalfield 的一项高度国际化的驻地项目，为那些从事艺术行业而又需要时间专注于事业发展的人群而开放。对于个体或者团体来说，这也是一个促进实践的平台和全神贯注于一项具体计划的环境。

There's more information about the Interdisciplinary Residency here and on the other residency and facilities pages on this website.
