Pamphlet Series

INTERDISCIPLINARY RESIDENCY AUGUST 2015

THE DOTTED Q

THOM SCULLION &
LORRAINE HAMILTON

The trickster has no interest in solving the liminal crisis.

On the contrary, being at home in liminality, their real interest lies in its opposite, in perpetuating such conditions of confusion.

They cannot trust or be trusted.

They are repulsive.

Insatiable.

They are not taken seriously.
